INFORMATION ON THE CREDIT RISK RELATING TO THE NEW LOAN

The making of the New Loan and the Previous Loan is collateralised. The collateral provided by the Borrower for the New Loan and the Previous Loan is sufficient as the loan-to-value ratio of the mortgaged properties for the New Loan and the Previous Loan to the Group is approximately 68% based on the value of the mortgaged properties for the New Loan and the Previous Loan determined by an independent valuer.

The advance in respect of the New Loan was also made on the basis of the Company's credit assessments made on (i) the collateral provided by Customer A, which are at the prime site in Hong Kong; (ii) the fact that Customer A is our repeated customer with no default record; (iii) the fact that the personal net worth of Customer A is strong and solid to prove her repayment ability; and (iv) the relatively short term nature of the New Loan. After taking into account the factors as disclosed above in assessing the risks of the relevant advance, the Company considers that the risks involved in the advance to Customer A are low and manageable.

FUNDING OF THE NEW LOAN

The Group will finance the New Loan with the Company's general working capital.

INFORMATION ON THE BORROWER

Customer A is an individual who is a merchant engaging in retailing in child apparel, and was approached by the Group through its network. To the best of the knowledge, information and belief of the Directors having made all reasonable enquiry, the Borrower is an Independent Third Party and not connected with the Group.

INFORMATION ON THE GROUP AND THE LENDER

The Company is an investment holding company. The Group is principally engaged in money lending business in Hong Kong and mainly provides mortgage loans under the Money Lenders Ordinance. HK Finance, as the lender of the New Loan and the Previous Loan, is an indirect wholly-owned subsidiary of the Company.

REASONS FOR ENTERING INTO THE NEW LOAN AGREEMENT

Taking into account the principal business activities of the Group, the grant of the New Loan to the Borrower is in the ordinary and usual course of business of the Group.

The terms of the New Loan Agreement were negotiated on an arm's length basis between HK Finance and the Borrower. The Directors consider that the grant of the New Loan is a financial assistance provided by the Group within the meaning of the Listing Rules. The Directors are of the view that the terms of the New Loan Agreement were entered into on normal commercial terms based on the Group's credit policy. Taking into account the satisfactory financial background of the Borrower and that a stable revenue and cashflow stream from the interest income is expected, the Directors consider that the terms of the New Loan Agreement are fair and reasonable and the entering into of the New Loan Agreement is in the interests of the Company and its Shareholders as a whole.

LISTING RULES IMPLICATIONS

The grant of New Loan and the Previous Loan requires aggregation under Rule 14.22 of the Listing Rules. As certain applicable percentage ratios under Rule 14.07 of the Listing Rules in respect of the New Loan and the Previous Loan granted to the Borrower exceed 5% but is less than 25%, the grant of the New Loan constitutes a discloseable transaction for the Company under Chapter 14 of the Listing Rules.

It is required under Rule 14.58(2) of the Listing Rules to disclose the identity of the Borrower. Since (i) the New Loan is not regarded as a material transaction of the Company as compared to the Company's overall financial position; (ii) the Company has practical difficulties in complying with the aforesaid disclosure requirement as the Borrower has confirmed to the Group that she will not consent to the disclosure of her identity in this announcement; (iii) the disclosure of the identity of the Borrower does not reflect her financial standing or repayment abilities and thus will serve little purpose in assisting the Shareholders to evaluate her creditworthiness and the risks and exposure of the New Loan; and (iv) the Company has made alternative disclosures in respect of the New Loan and the Previous Loan in this announcement, including but not limited to the details of the collateral and the loan-to-value ratio of the collateral in respect of the New Loan and the Previous Loan, which would be much more meaningful for the Shareholders in assessing the risk and exposure of the New Loan and the repayment abilities of the Borrower, the Company has applied to, and been granted by, the Stock Exchange for a waiver from strict compliance with Rule 14.58(2) of the Listing Rules.
