#### **INFORMATION ON THE CREDIT RISK RELATING TO THE NEW LOAN**

The proceeds of the New Loan is partially used for the full settlement of the Previous Loan. The making of the New Loan is collateralised. The collateral provided by the Borrowers for the New Loan is sufficient as the loan-to-value ratio of the mortgaged property for the New Loan to the Group is approximately 68.7% based on the value of the mortgaged property for the New Loan determined by an independent valuer.

The advance in respect of the New Loan is also made on the basis of the Company's credit assessments made on (i) the collateral provided by the Borrowers which is at the prime site in Hong Kong; (ii) the fact that Customer V is a doctor, and his professional status and their personal netwealth prove their repayment ability; (iii) the satisfactory repayment record of the Previous Loan; and (iv) the relatively short term nature of the advance. After taking into account the factors as disclosed above in assessing the risks of the relevant advance, the Company considers that the risks involved in the advance to the Borrowers are low and manageable.

## **FUNDING OF THE LOAN**

The Group will finance the New Loan with the Company's general working capital.

## **INFORMATION ON THE BORROWERS**

Both Customer V and Customer W are individuals and Customer V is a doctor specialising in paediatrics. Customer W is the wife of Customer V. The Borrowers are repeated customers and were approached by the Group through its network. To the best of the knowledge, information and belief of the Directors having made all reasonable enquiry, the Borrowers are Independent Third Party and not connected with the Group.

## **INFORMATION ON THE GROUP AND THE LENDER**

The Company is an investment holding company. The Group is principally engaged in money lending business in Hong Kong and mainly provides mortgage loans under the Money Lenders Ordinance. HK Finance, as the lender of the New Loan, is an indirect wholly-owned subsidiary of the Company.

## **REASONS FOR ENTERING INTO THE NEW LOAN AGREEMENT**

Taking into account the principal business activities of the Group, the grant of the New Loan to the Borrowers is in the ordinary and usual course of business of the Group.

The terms of the New Loan Agreement were negotiated on an arm's length basis between HK Finance and the Borrowers. The Directors consider that the grant of the New Loan is a financial assistance provided by the Group within the meaning of the Listing Rules. The Directors are of the view that the terms of the New Loan Agreement were entered into on normal commercial terms based on the Group's credit policy. Taking into account the satisfactory financial background of the Borrowers and that a stable revenue and cashflow stream from the interest income is expected, the Directors consider that the terms of the New Loan Agreement are fair and reasonable and the entering into of the New Loan Agreement is in the interests of the Company and its Shareholders as a whole.

## **LISTING RULES IMPLICATIONS**

The grant of New Loan and the Previous Loan requires aggregation under Rule 14.22 of the Listing Rules. As an applicable percentage ratio under Rule 14.07 of the Listing Rules in respect of the New Loan and the Previous Loan granted to the Borrowers in aggregate exceeds 5% but is less than 25%, the grant of the New Loan constitutes a discloseable transaction for the Company under Chapter 14 of the Listing Rules.

It is required under Rule 14.58(2) of the Listing Rules to disclose the identities of the Borrowers. Since (i) the New Loan is not regarded as a material transaction of the Company as compared to the Company's overall financial position; (ii) the Company has practical difficulties in complying with the aforesaid disclosure requirement as the Borrowers have confirmed to the Group that they will not consent to the disclosure of their identities in this announcement; (iii) the disclosure of the identities of the Borrowers does not reflect their financial standing or repayment abilities and thus will serve little purpose in assisting the Shareholders to evaluate their creditworthiness and the risks and exposure of the New Loan; and (iv) the Company has made alternative disclosures in respect of the New Loan and the Previous Loan in this announcement, including but not limited to the details of the collateral and the loan-to-value ratio of the collateral in respect of the New Loan, which would be much more meaningful for the Shareholders in assessing the risk and exposure of the New Loan and the repayment abilities of the Borrowers, the Company has applied to, and been granted by, the Stock Exchange for a waiver from strict compliance with Rule 14.58(2) of the Listing Rules.
